

# Swire Shipping offers a fixed day weekly service to Guam and Saipan

Swire Shipping has a long trading history and association in the Pacific, being a leading provider of sustainable shipping solutions to the region for about 80 years. Building on this foundation and understanding the requirements of our customers for frequent, reliable and on-time delivery, Swire Shipping is pleased to increase our frequency to the markets of Guam and Saipan to a fixed day weekly service.

The new service framework will provide improved solutions through the Swire Shipping network with access to our key Asian and Pacific markets, along with further options through our extensive partner network to provide weekly services on a global scale. Swire Shipping will provide multipurpose solutions for all dry, reefer, special equipment and breakbulk cargoes.
